Public Disclosure Commission

**Complaint:** Mr. Kunes has consistently falsified, filed late, and/or totally failed to file required 2006 PDC reports as demonstrated below:

1. 2006 F1 was filed late.
  - a. F1 was required to be filed not later than April 15, 2006 but was not filed until April 16, 2006.
2. 2006 F1 had omissions and was falsified.
  - a. Neither section 2 (real estate owned) nor section 4 (creditors) had listed the holder of a mortgage/promissory note in the amount of \$166,000.00 dated November 5, 2004 and in default in the amount of \$203,350.00 as of June 6, 2006 for the property listed in section 2 as "J.3 NE STRATFORD WA". The supporting documents are attached.
  - b. Question 5D with regard to lobbying was not answered.
  - c. The F1 was certified true and correct under penalty of perjury.
3. 2006 C1 was filed late.
  - a. Formal declaration of candidacy was filed on July 24, 2006 with Grant County Auditor.
  - b. Original C1 was signed by Mr. Kunes on August 4, 2006, filed with the Grant County Auditor on August 7, 2006, but was not filed with the PDC as required by law until August 24, 2006, more than two weeks late.
4. Initial C4 required to be filed with C1 was never filed.
  - a. Mr Kunes elected the FULL REPORTING option on his C1.
  - b. If the actual PDC C1 filing date of August 24<sup>th</sup> is counted, then the following support the requirement to file the C4 on August 24.
    - i. Mr Kunes had a booth at the Grant County Fair from August 15<sup>th</sup> through August 19<sup>th</sup>, 2006.
    - ii. Signs announcing his candidacy as a Republican were posted around the county since on or before the Grant County Fair began.
    - iii. Flyers listing him as a Republican were available at the Fair.
    - iv. Since Mr Kunes is holding office as a Democrat and did not officially change parties until he filed his candidacy, these expenses for signs and flyers had to be recent and not remnants of his previous campaigns.
  - c. If he had the above expenses, it is a logical conclusion that his campaign had income.
5. No required C3 has been filed to date, yet should have been filed weekly. The known expenditures listed in item 4 support this.

6. The 21 day pre-primary C4 required to be filed with the PDC by August 29, 2006 had not been filed with the PDC as of today.

In short, ballots for Grant County are being mailed starting tomorrow, September 1, 2006 and voters have NO current contribution/expenditure information on this public official and candidate; and background financial information has not been disclosed as required by law with which to make an intelligent decision on the ballot.

Brad Lanier
